Acknowledgements

I express my sincere and deep sense of gratitude to my supervisors Dr. Sushma Koul, Head, Biodiversity and Applied Botany Division, Indian Institute of Integrative Medicine (C.S.I.R.), Jammu and Dr. A. S. Soodan, Reader, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar for their valuable guidance, constant encouragement and constructive criticism.

I extend my heartfelt gratitude to Prof. S. N. Raina, Amity School of Biotechnology, Amity University, Noida and Dr. M. K. Kaul, former Head, Biodiversity and Applied Botany Division, Indian Institute of Integrative Medicine for their valuable guidance, support and co-operation during the course of the present work.

I am highly grateful to Dr. Ram A. Vishwakarma, Director, IIIM, Jammu, for providing me all the necessary facilities during the course of the present work. A special word of thanks is due to Dr. G. N. Qazi, former Director, IIIM, Jammu, for his constant encouragement and advice.

I am beholden to scientists, Dr. Arun Kumar, Dr. Ashok Ahuja, Dr. G. Ram and Dr. Dhiraj Vyas and the technical staff of Biodiversity and Applied Botany Division, IIIM, Jammu for their help and support.

My special thanks are due to Dr. K. A. Suri, Dr. P. Sharma, and Mr. Prabu Dutt for their help in performing HPLC and Electron microscopy.

I am delighted to express my thanks to Dr. Saroj Arora (Head), Prof. Renu Bhardwaj, Dr. A. P. Vig and other faculty members of the Department of Botanical and Environmental Sciences, Guru Nanak Dev University, for their constant support and valuable suggestions, particularly during the compilation stages of the thesis.

I extend my heartiest thanks to Dr. Deepmala Sehgal, Dr. Avinash, Mr. Tanvir, Ms. Ranuka and Ms. Shweta of the Cellular and Molecular Biology Laboratory, Department of Botany, University of Delhi for their help in carrying out a part of the work included in this thesis.

I am highly thankful to Dr. Naseer, Dr. Kashif, Dr. Mukhtar, Naseer Ahmad, Syed Khalid, Abdul Haleem, Urfat Jan, Jabeena, Shazia, Dilshad, Neelam, Punita, Younis, Ashok, Sushant, Ashwani, Adil, Nisar-ul-Ashraf, Mudair, Ashiq, Bilal Rah, Mushtaq, Rouf, Mohd Amin, Mohd Shafi, Imtiyaz, Lateef, Showkat, Asif, Imran, Sandeep and a host of other friends and colleagues for their constant encouragement, co-operation and support at various stages of this work.

My sincere thanks are due to Dr. Abid Hamid, Scientist, Pharmacology Division, IIIM, Jammu for brotherly support during the course of my study.

I feel short of words to express my thanks to my loving parents and other family members for their moral and material support throughout the course of the present study.

Above all, praises be to the Almighty ALLAH, the most merciful and the most compassionate, who blessed me with all the faculties and facilities required for undertaking this work.

(BILAL AHMAD MIR)
