Acknowledgement

Words are often too weak to express one’s inner feelings of indebtedness to one’s benefactors. The same difficulty leads the investigators on penning down the deep sense of gratitude. First of all, I am greatly and heartly thankful to Almighty God, who puts strength in me to do and complete this research work.

Most gratefully, I express my thanks to my worthy and Honourable guide Dr Jiwan Jyoti Sidana who has been kind enough to extend her continuous guidance, inspiration and able supervision, otherwise it would have not been possible for me to complete this study.

I owe my heartiest thanks to Dr Sarita Bhardwaj for her sincere co-operation and valuable direction.

I am very thankful indeed to the Principals of all Senior Secondary Schools of Firozpur district for their co-operation in collection of data.

My grateful thanks to Dean, Faculty of Education, Guru Nanak Dev University, Dr Amit Kauts Principal, M.G.M college, Jullundhar for his encouragement and valuable direction.

Finally, I am deeply indebted to my respected husband, my loving and helpful children for their ever-available help and inspiration, who always gave support in completion of this research work.

I am also thankful to my friends and many authors who remained behind the scene, whose work has been often consulted and referred to for this research.

All can not be mentioned but none is forgotten.
