ACKNOWLEDGEMENT

I am greatly indebted to my research supervisor Dr. M.V.Suryanarayana, Vice-President, Analytical R & D Dept, Matrix Laboratories Ltd, Hyderabad and co-supervisor Dr.A.Naidu, Professor, Department of Chemistry, Jawaharlal technological university, Hyderabad for their valuable guidance, tireless efforts through discussions, keen interest and encouragement throughout the course of this investigation with immense pleasure. I wish to record my sincere and affectionate gratitude to my research supervisor and co-supervisor.

I am indebted to the management of Dr.Reddy’s Laboratories Private Limited and to my supervisor Dr.M.V. Suryanarayana in particular for giving me an opportunity to improve my academic qualification leading to Ph.D degree.

I express my sincere thanks to Dr. K. Mukkanti, Professor of Chemistry and Head, Center for Pharmaceutical Sciences, Institute of Science and Technology for his timely advice in pre viva-voce and in final phase of Ph.D thesis preparation. My heartfelt thanks to Dr.A.Appala Naidu, Professor, Department of Physics, and Dr.V.Himabindu, Asst.Professor, Center for Environment, JNTUH for their valuable guidance throughout the research work.

I express my sincere thanks to Mr. R. Bhaskar Reddy, Mr. P. Raghuram and Mr. G. Srinivas Reddy for their meticulous technical discussions throughout the study. I am benefited from the constructive advices and suggestions from my husband Dr.D.V.Subba Rao.
I am gratefully indebted to my beloved professor Dr. P. Nageswara Rao, Head of the Department, Dept. of Chemistry National Institute of Technology, Warangal for his constant encouragement. My Sincere thanks to Dr. B.V. Appa Rao, Dr. A. Ramachandraiah, Dr. G.V.P. Chandramouli, Dr. I. Ajitkumar Reddy, Dr. K. Laxma Reddy, Dr. B. Rajitha, Dr. V. Rajeswara Rao and to all members of NITW Chemistry department for their constant help and support during the process and progress of my research work.

I deeply thankful to my parents, Sri. A. Appa Rao and Smt. A. Swarupa Rani, brother A. Anil Kumar, sister in law A. Naga Venkata Durga, Uncle D. Subbarayudu garu, Mother in law Smt. D. Sesha Ratnam, brother in law Mr. D. Gopala Krishna, Sister D. Surya Padmavathi and especially my family friends Mrs. S. B. Nagamani, Dr. Mohammad Iqbal. Last but no least my beloved husband D. V. Subba Rao and children Renu Priya and Krishna Manohar for their support and encouragement during the research period.

Finally I would like to thank the people who helped me directly or indirectly in my research work and without them this thesis could not be materialized.

Madhavi A
