

CONTENTS

Sl. No.	CHAPTER	Page No.
1.	INTRODUCTION	1 – 13
2.	CONCEPTUAL FRAMEWORK	14 – 72
3.	REVIEW OF LITERATURE	73 – 109
4.	METHODOLOGY	110 – 117
5.	RESULTS AND DISCUSSION	118 – 152
6.	SUMMARY AND CONCLUSIONS	153 – 162
	BIBLIOGRAPHY	163 – 179
	APPENDIX	180 – 210
	LIST OF PUBLICATIONS	

LIST OF TABLES

Sl. No.	Particulars	Page No.
1.	Mean, SD and t-value of adjustment in two levels of deprivation	119
2.	Mean, SD and t-value of adjustment in two levels of achievement stress	122
3.	Mean, SD and t-value of adjustment in two levels of academic stress	125
4.	Mean, SD and t-value of adjustment in two groups of gender	128
5.	Mean, SD and t-values of academic achievement in two levels of deprivation	132
6.	Mean, SD and t-values of academic achievement in two levels of achievement stress	133
7.	Mean, SD and t-values of academic achievement in two levels of academic stress	134
8.	Mean, SD and t-values of academic achievement in two levels of gender	135
9.	Influence of independent variables on home adjustment of students (N = 400)	137
10.	Influence of independent variables on health adjustment of students (N = 400)	139
11.	Influence of independent variables on social adjustment of students (N = 400)	141
12.	Influence of independent variables on emotional adjustment of students (N = 400)	144
13.	Influence of independent variables on total adjustment of students (N = 400)	146
14.	Influence of independent variables on academic achievement	148

	of students (N = 400)	
15.	Correlation coefficients between independent variables and different areas of adjustment of students	151
16.	Corelationship between independent variables and academic achievement of students	152

LIST OF GRAPHS

Sl. No.	Particulars	Page No.
1.	Adjustment in different areas in two levels of deprivation	120
2.	Total adjustment in two levels of deprivation	120
3.	Adjustment in different areas in two levels of achievement stress	123
4.	Total adjustment in two levels of achievement stress	123
5.	Adjustment in different areas in two levels of academic stress	126
6.	Total adjustment in two levels of academic stress	126
7.	Adjustment in different areas in two groups of gender	129
8.	Total adjustment in two groups of gender	129
9.	Academic achievement in two levels of deprivation	132
10.	Academic achievement in two levels of achievement stress	133

11.	Academic achievement in two levels of academic stress	134
12.	Academic achievement in two levels of gender	135
