ACKNOWLEDGEMENT

It is with great sense of gratitude I extend my sincere thanks and with a strong feeling of indebtedness towards my revered teacher and guide Dr. S.P. Singh, Professor & Head, Department of Biochemistry, M.L.B. Medical College, Jhansi (U.P).

It is the result of his untiring and constant guidance on every step that this work of mine could see the light of the day.

His constant encouragement and never disserting smile always gave me a great moral support and internal strength to complete this work of mine in the assigned stipulated period.

I am not finding suitable words to acknowledge the help I received during my entire work.

My acknowledge are due to Dr. A.K. Gupta M.D. Radio-Diagnosis, Dean, M.L.B. Medical College Jhansi, U.P. for providing me all the facilities for my work.

Dr. (Mrs.) Manju Singh w/o Dr. S.P. Singh, Professor of History, BKD College, Jhansi, proved to be a source of encouragement for me. She, with her friendly advices and affectionate manners kept me active throughout this period to complete this work. I am also thankful to other staff members of Biochemistry Department, M.L.B. Medical College, Jhansi for their cooperation.
I am extremely thankful to Dr. Mrs. Sangeeta Paneri, Assistant Professor, Biochemistry, M.G.M. Medical College, Indore and her husband Shree Lalit Paneri, Assistant Professor, Rural Development for their cooperation. This work would not have seen the light of day in its present form without their untiring efforts and invaluable time they spent in completing this work.

I use this opportunity to express the deep sense of gratitude to my beloved mother Smt. Susheela Saxena and my father late Dr. R.K. Saxena Eye-specialist, who had taken all the pains to bring me up to this level.

I extend my sincere thanks to my beloved husband Dr. S.K. Verma, M.D. Professor and Head, Department of Pathology, R.D. Gardi Medical College, Surasa, Ujjain M.P., for his cooperation and inspiration and our children, Shree Sumeer Kumar Verma (our son) Medical Student and daughter Ku. Shiras Verma, Dental Student who helped me throughout this study and shared my responsibilities. I acknowledge with affection the inspiration and sympathetic assistance they have given me particularly during the odd hours.

I am also thankful to Mrs. Dirgha Shyopurkar, librarian, M.G.M. Medical College, Indore for her cooperation.
