ACKNOWLEDGMENT

Foremost, my gratitude goes to Dr. R. Baskaran, Assistant Professor, Department of Computer Science and Engineering, College of Engineering Guindy, Anna University, who guided me into the fractal realm. His vision, his enthusiasm and his spirit inspired and enlightened me to carry out this research with interest and involvement.

I am grateful to Dr. A. Kannan, Professor, Department of Information Science and Technology, College of Engineering Guindy, Anna University, for his consistent encouragement and guidance. His original ideas enabled me to choose this problem and his fruitful guidance made me to implement the ideas effectively throughout my research work.

With profound reverence and high regards, My heartfelt thanks to Dr. P. Narayanasamy, Professor, Department of Information Science and Technology, CEG, Anna University and Dr. K.Vivekanandan, Professor, Head of Computer Center, Pondicherry Engineering College, Puducherry for the prompt help in providing the excellent ideas and reasoning to do the research work and prepare the thesis.

I am very much grateful to Dr. C.Chellappan, Professor and Head, Department of Computer Science and Engineering, College of Engineering Guindy, Anna University, for the motivation provided regarding this work to finish the research within the appropriate time.

Finally, I thank my father Mr. S.P.R. Lazarus Victor Manoharan and mother Mrs. R. Mallika and my in-laws for their continuous efforts and blessings. I thank my husband Mr. P. Vijayakumar and my daughter V. Saloni Karthika for their constant support and prayer in doing this research work. I have been blessed, encouraged and helped by a great number of friends, colleagues and supporters throughout this thesis work.

JEGATHA DEBORAH L
