Acknowledgements

This thesis arose out of years of research that has been achieved with the help of great number of people whose contribution is gratefully appreciated and they deserve a special mention. It is a pleasure to convey my gratitude to all of them through this humble acknowledgement.

This moment would never have been realized, without the blessings, guidance and support of my beloved parents Govindappa and Nethramma and my brother Srinivas. Thanks for your love and support.

I am immensely pleased to place on record my gratitude to my research Supervisor, Dr. Y. Arthoba Naik, Professor, Department of Chemistry, Kuvempu University, Shankaraghatta, for his invaluable, meticulous and untiring guidance, moral support, advice and constant encouragement.

I avail this opportunity to thank Prof. P. Vasudeva Nayak, Prof. V. P. Vaidya, Prof. J. Keshavayya, Prof. T.V. Venkatesha and Prof. K.M. Mahadevan, Department of Chemistry, Kuvempu University, Shankaraghatta, for their encouragement. I also thank the faculty the Department of Biochemistry, Kuvempu University, Shankaraghatta, for their support.

I owe my special thanks and respect to all my Teachers who taught me during primary, high school and college learning. Their blessings and encouraging words made me to move on.

Its high time to acknowledge the support received from my labmates, Dr. Basavanna, Dr. Sheela, Dr. Kalachar, Dr. Vishwanath, Dr. Chethan, Dr. Vidyasagar, Dr. Prakash Kariyajanavar, Manju, Thippleswamy, Manohar and Bindya. I sincerely thank them for their kind help and timely advice throughout my work. I would like to convey my sincere thanks to the tower house friends Basavaraju, Raju sir, Shindhe, Mallu, Guru and Jagadeesh for their support during my research work.

It would be incomplete if I do not thank all my friends, colleagues, research colleagues for their constructive comments, encouragement and invaluable support.

I would like to express my heartfelt thanks to the Dept. of Chemistry, non-teaching staff of the Department, Library staff of Kuvempu University for their help during the course of my research work.
I also thank Indian Institute of Science (IISc), Bangalore and Indian Institute of Technology (IIT), Kanpur for the support extended throughout my research work.

I am thankful to the Department of Science and Technology (DST) and University Grants Commission (UGC), New Delhi for the financial assistance provided towards the research work.
