ACKNOWLEDGEMENTS

In performing the research for and the writing of this thesis, I was fortunate to benefit from the encouragement, help and suggestions of my mentor, Professor V.V.N Somayajulu, who guided into academic pursuits, I am deeply obliged, the thoroughness of his review sensed as a shining example of the kind of dedicated effort, a professional approach to the research.

Appreciation is also due to Dr. V.L.Rao, Research Information Systems, New Delhi, Dr.Krishnamurthy, Dr.Bhide Shasanka, and Dr.Joshi at NCAER, New Delhi, Dr.M.N.Murthy, Institute of Economic Growths-Delhi, Dr.E.K.Rao, Delhi University, Delhi, Dr.Kashyap, Centre for Policy Research, New Delhi, Dr.Niranjan Rao, I.C.R.I.E.R, New Delhi. Dr.N.S.Iyyengar, and Dr. Brahmananda at Indian Statistical Institute, Bangalore, Dr.GeorgeRosen, Illinois University Chicago, USA, Dr.P.V.Ramana, Colorado University, USA, Dr.Bharat Kolluri, Hartford University, USA for all their intellectual guidance.

I thank Dr. Atchi Reddy, Head of the Department, Dr. Diwakara Rao, Dr. B. Kamaiah and all the faculty, Department of Economics, and Dr. Tej Ram Sarma, Dean School of Social Sciences, University of Hyderabad for their valuable comments.

I would like to thank all the staff of the following libraries of the Universities and Research Institutions viz. Warsaw School of Economics, Research Institute of Developing Economies, Warsaw, Poland and Jawaharlal Nehru University’s Main Library and School of International Studies (SIS), Research Information Systems (RIS), Indian Council for International Economic Research (ICRIER), Ratan Tata Memorial Library, Delhi School of Economics, Institute of Economic Growth’s (IEG), National Council for Applied Economic Research (NCAER), India International Centre’s (IIC), United Nations Development Programmes (UNDP), International Finance Corporation’s-(IFC) Indian Institute of Public Administration’s (IIAPA), New Delhi and Delhi.

And I also like to thank Indira Gandhi Memorial Library of University of Hyderabad, Centre for Social Sciences (CESS), Osmania University in Hyderabad.

I would like to thank my friend Mr. C. Srinivas, who is perpetual support to carryout the thesis.

I am indubitably indebted to my family members for their trust and patience in allowing me to continue research such a long years since 1991.

Lastly, but not the least I would like to thank Vignana Jyothi’s Management and all the faculty who co-operated in carrying out the final work.

I thank Mr. Gupta for his neatly typing the entire thesis.

Finally, I thank all my well wishers and friends academic and non-academic who stood behind me all the time.
