ACKNOWLEDGEMENTS

I am deeply indebted to my supervisor Dr. Suguna Pathy, Professor and Head, Department of Sociology for her incredible guidance which enabled me to complete this work and therefore express my deep sense of gratitude and heartfelt thanks for her constant stimulation and constructive criticism throughout the research.

I sincerely believe that without her this thesis would not have seen the light of the day. She has not only encouraged and motivated academically but also morally to broaden my perspective as a researcher. I have no words to thank her.

I also express thanks to Prof. Parvez Abbasi and other colleagues in the Department of Sociology. I would like to thank Dr. Samiullah Ghanchi, Faculty, Centre for the Study of Exclusive and Inclusive Policy, for helping me at different levels in the study, particularly in its initial stages.

I also wish to thank Bahadursinh Vasava, Rajesh, Shephali, Aditi, Rekha Mistry, the staff of MSW programme and Centre for the Study of Social Exclusion and Inclusive Policy.

My special gratitude to Dr. Kiran Desai, Centre for Social Studies and Dr. Kalpana Rao, Department of Mass Communication who helped me in my academic endeavour.

My thanks are also due to Ashish Nikam, Dr. Seema Shukla, Heena Shah, Ashokbhai Pawar, Centre for Social Studies and Neha Gutkar, Research Scholar, Department of Sociology.
I would be failing in my duties if I do not express my sense of gratitude to all the respondents of VNSG University, S.P.B College and Olpad College for their cooperation in data collection for this study.

I wish to acknowledge the Central library of Veer Narmad South Gujarat University, Centre for Social Studies library staff for the necessary help during my research.

I would like to thank the team of Jay Jalaram Typing & Xerox Centre, Piplod, Surat, for skillful and neatly typing of the manuscript who gave up his holidays and leisure time to type my drafts.

Thanks are also to all my friends Kunal, Bhavin, Viral, Nimmi, Nimisha, Rujal, Pratiksha and all others who made my association with them enjoyable and memorable.

Finally, my special acknowledgements are to my family especially Jimmy my husband, parents as well as parents-in-law for the encouragement and above all to my little son Dhyey for bearing my absence during the research.

Lastly, I thank God for his Enlightenment and Unconditional Blessings; I dedicate this thesis to my entire family's sacrifice who has sustained me in the times of darkness.
