Acknowledgement

I am deeply indebted to my research supervisor, Dr. K.A. Stephanson, Reader and Head, Post Graduate Department of Economics, Christ College, Irinjalakkuda, for his untiring help, guidance and moral support at various stages of my research work.

I extend my sincere thanks to Dr. Lakshmi Devi K.R (former head of the Department of Economics, John Mathai Center, University of Calicut, Arnattukara), Dr. P Ibrahim (Retd Professor of Pondicherry University) and Dr. K.V. Raju (Head of the Department of Economics, S.H. College, Thevara) for having offered me their help in the presentation of this thesis.

I take this opportunity to acknowledge my feelings of gratitude to Fr. Prasanth, Principal, Sacred Heart College, Thevara for his continuous support and co-operation, which helped me a lot in completing the research work.

I am thankful to the librarians of the Center for Development studies, Thiruvananthapuram, Department of Economics, Dr. John Mathai Center, Arnattukara, Mahatma Gandhi University and S.H. College, Thevara for their liberal help in identifying reading materials.

My sincere thanks are also due to the officials of State Planning Board, Directorate of Health Services and Department of Economics and Statistics. I express my deep sense of gratitude to Dr. K.M. Kurian, Associate Professor, Department of Statistics, St. Thomas College, Pala, for assisting me in statistical analysis.

No words can adequately express my deep sense of gratitude to Dr. Aneesh, DMO, Malappuram, Dr. Hyder Akbar, Edavanna, and Dr. Sheeba and Dr. Nissar for all the help
provided to me. I am greatly indebted to Smt. Uma Govind, Associate Professor, Department of English, S.N. College, Alathur for the immense help rendered by way of meticulous proof reading. I also extend thanks to my college management, faculty and staff of S. N. College, Alathur for all the help and support they provided me. I would like to express my sincere gratitude to Dr. Suprabha, Dr. Jayasenan, the former Principals and the members of the Department of Economics, for their constant encouragement. Thanks are also due to other teaching and non-teaching staff of my college. I acknowledge my indebtedness to my parents whose prayers have always stood with me. The support and assistance from my family is the backbone of all the achievements in my life. I am grateful to my sisters, brothers and in laws for their continuous support and prayers. I remember with gratitude the inspiration given to me by my beloved teachers.

No words can express my gratitude towards my husband, Dr. Shamsudeen, my daughter, Dr. Shahana, son, Shefin Mohammed, son in law Mr. Shiju and grandchild Sana for all the help given to me in completing this work.

Above all, I believe that the blessings of the Almighty God were with me throughout my efforts.
