LIST OF TABLES

Table 1. 1. Difference between development and development management…… 8
Table 1. 2. Difference between rural and urban societies…………………. 24
Table 1. 3. Difference between urban and rural tourism…………………. 26
Table 1. 4. Rural tourism avenues………………………………………… 28
Table 1. 5. Tourism Impacts – World Economy (Figures in US$ bn)……. 43
Table 1. 6. Tourism Impacts – Indian Economy (Figures in US$ bn)……. 43

Table 3. 1 Sampling method……………………………………………………… 116

Table 5. 1 Educational status of respondents………………………………… 153
Table 5. 2. Occupational status of respondents……………………………. 154
Table 5. 3 Income of the respondents………………………………………… 155
Table 5. 4 Age group of respondents………………………………………… 155
Table 5. 5 Years of residence of respondents……………………………… 156
Table 5. 6 Preservation of traditions…………………………………………… 157
Table 5. 7 Relationship between tradition and years of stay………………. 159
Table 5. 8 Relationship between tradition and age…………………………. 160
Table 5. 9 Comparative contributions to preservation of traditions………. 162
Table 5. 11 Infrastructure developments and tourism……………………… 164
Table 5. 12 Relative contribution towards infrastructure growth………… 166
Table 5. 14 Growth of local income…………………………………………… 168
Table 5. 15 Comparative contribution to local income……………………. 169
Table 5. 17 Quality of life due to tourism……………………………………. 171
Table 5. 18 Comparative contribution of quality of life factors…………… 172
Table 5. 19 Knowledge enhancement through tourism…………………… 174
Table 5.20 Relative contribution to knowledge and skill

Table 5.21 Contribution to cultural development

Table 5.22 Relative contribution towards culture

Table 5.24 Growth of Tourism and Crimes

Table 5.25 Perception on reduction of crimes

Table 5.27 Preservation of ecology and environment

Table 5.28 Preservation of ecology and environment

Table 5.29 Relative contributions to ecology and environment

Table 5.31 Psychological engagement with tourism

Table 5.32 Outlook towards tourism development

Table 5.34 Correlation Analysis: Attitude factors

Table 5.35 Regression Analysis: Psychological engagement factors

Table 5.36 Resident participation in tourism planning

Table 5.37 Correlation Analysis – CV Model

Table 5.38 Resident participation in implementation

Table 5.39 Correlation Analysis- Participation in Implementation

Table 5.40 Comparison of participation between planning and implementation

Table 5.41 Correlation between participation and perception factors

Table 5.42 Descriptive statistics of variables

Table 5.43 Regression Analysis Values

Table 5.45 Genderwise Group Statistics

Table 5.46 T-test results: Gender and perception

Table 5.47 ANOVA results: Age and perception on DMV

Table 5.48 Tukey B and Scheffe results for age and local income

Table 5.49 Tukey B and Scheffe results for age and ecology & environment

Table 5.50 ANOVA results: Income and perception on DMV

Table 5.51 Tukey B and Scheffe results: Income and implementation
