Each one of us requires the help and assistance from several others in accomplishing any task that we undertake. When we successfully accomplish the task that we have undertaken, we look back not only with satisfaction but also with gratitude. It is with feelings of both happiness and humility that we proceed to express our sense of gratitude for the help and assistance we received. For completion of this thesis, I drew help, support and motivation from different sources. I wish to express my gratitude to all for the wholehearted and unhesitant manner in which help and support was extended towards me.

First of all, I had a great fortune to study under the supervision of Dr. K. Sreeranganadhan, Director, School of Management and Business Studies, Mahatma Gandhi University. With profound respect and eternal gratitude I express my heartfelt indebtedness to my guide Dr. K. Sreeranganadhan, for his encouragement, advise, direction, support, availability and patience during the research period. Thank you for allowing me to grow academically, for providing me with your wisdom and your continuous support along the way.

I would like to extend my sincere thanks to all staffs of Mahatma Gandhi University Library, Kerala University Library, Centre for Development Studies, Cochin University of Science and Technology Library, Calicut University Library, IIM Calicut Library and Departmental Library of School of Social Sciences for their sincere help during the research work.

I am also grateful for the service and support I received from the librarians, Research Scholars, teaching and non teaching staffs of School of Management and Business Studies. I also use this occasion to express my gratitude to all my friends and well-wishers.

I am very much thankful to all my respondents who has supported by providing data to carry out this research work in a meaningful manner.
My most special appreciation and thanks go to my family members. Their commitment to my education, and support for my life, has made prosper and develop into the person I am today. This piece of work would not have materialized without the love, untiring help and invaluable moral support of my parents, husband and sisters.

Above all I bow my head before the Almighty without whose invisible hands above my head I am nothing at all. Words are not sufficient to record the countless blessings that have been showered upon me by the Lord Almighty.
