Acknowledgements

I am extremely thankful to my Supervisor Dr. R. Ramdas for his continuous support and encouragement in the present research. I am thankful to Prof. E. Haribabu Dean, School of Social Sciences for his timely help to my research.

My thanks are also to Prof. P. Ramabrahmam Head, Department of Political Science, Prof. G. Sudharshanam, Prof. P. Eashwaraih, Sri. Chandrasekar Rao and Dr. K.Y. Ratnam for their support, inspiration and suggestions from time to time.

My heart full thanks to Prof. P. Manikyamba for her support and encouragement throughout my University education.

I am thankful to Prof. Prakash C. Sarangi, Prof. Sanjay Palshikar, and Dr. Vasanthi Srinivasan for their valuable suggestions in my academic research.

My thanks are due to Gupta and Suresh office staff of Department of Political Science for their continuous support and timely help.

I thank to the SERP State Project Management Unit, Hyderabad; District Project Management and DRDA, Adilabad; Mandal Velugu (IKP) office staff, especially Assistant Project Manager, Community Coordinators and Village level Community Activists of the four selected villages for their cooperation and help to complete my research work. I am thankful to the staff of Indira Gandhi Memorial Library, University of Hyderabad, Center for Economic and Social Studies has been considerable, National Institute of Rural Development Library and AMR-Andhra Pradesh Academy for Rural Development, Rajendra Nagar, Hyderabad, and the staff of Library-State Project Management Unit, Hyderabad; District Project Management and DRDA, Adilabad; Mandal Velugu (IKP) office staff, especially Assistant Project Manager, Community Coordinators and Village level Community Activists of the four selected villages and women respondents, village secretaries have extended timely help.
Sri Gangadhar, Lecturer and Librarian, Government Girraj College, Nizamabad has been a constant source of inspiration to me. I am extremely thankful to him.

But for the cooperation and encouragement of my family members and relatives and this thesis would not have been completed, I thank to B. Chinnaiah, S.Gangadhar, Vijaya Rani, Avinash, Harish and S.Chinnaiah, Vralaxmi, Shradda, Shreya and Varun. My heart full thanks to my Dasa Damodar and who helped me a lot in field study and without his support my field work would not be completed / possible. I would like to thank him heart fully for his support and restless work for long time during my field work.

My heart full thanks to my wife Manjula and son Vivek for being my bundle of moral support and energy when ever I was down, this work would not have materialized without their supportive role as great friends. My utmost thanks to my mother and father for everlasting and immense faith on my education in their son and invaluable love and affection.

My utmost thanks are due to UGC-Rajeev Gandhi National Fellowship, without which my research work would be impossible.

Sunkari Satyam
