ACKNOWLEDGMENT

I wish to acknowledge with gratitude the help, which was given to me during this study and without which it would have not been completed or even undertaken.

The present research work is the result of the motivation and inspiration, which the I got from my guide Dr. Ashok Kumar Gupta, Reader and Head, Department of Economics, Sh. K.K. Jain (P.G.) College, Khatauli (Muzaffarnagar). Great appreciation is acknowledged for his clear thinking, sharp understanding. Sincere guidance, constant encouragement, continued assistance and sustained interest in this work, without which the study could not have been possible.

I am also thankful to Prof. N.K. Taneja, Mr. Dinesh Kumar and all my teachers for their inspiration, precious help and scholarly guidance as and when during my work I requested them.

I am highly indebted to my parents whose affection; love and blessing have been beacons of light for the successful completion of my work.

I cannot express in words my profound reverence and deep seated obligation to Dr. Sanjeev Singh and Dr. Mahaveer Singh for their memorable co-operation and encouragement.
Thanks are also due to the Director, Principal, colleagues and students of S.K.D. Degree College, Baghara (Muzaffarnagar) for their cooperation in this study.

I am grateful to my family, all friends and well Wishers who lent me their enthusiastic co-operation during various phases of the study.

I am thankful to my wife Mrs. Payal Upadhayay, who shared the burden of preparing the research work.

I am thankful to all those authors and publishers whose work have been consulted, referred and quoted in this study.

Last but not the least, my sincere thanks are due to Mr. Naresh Kumar and Mr. Rishikant Gupta, Meerut Commercial College, Meerut for the care and pains he took in typing this research work.
