ACKNOWLEDGEMENTS

I am deeply indebted to my guide Dr. B. Uma Maheswar Gowd, Professor of
Mechanical Engineering, J.N.T University. Anantapur, Ananthapuramu under whose
initiative, valuable guidance and constant encouragement. The work could be carried
out. His keen interest, logical thinking, tolerance in every shape, regular observation,
kind co-operation, and constructive criticism helped in completing this dissertation.

Words are inadequate to express my thanks to all my family members,
especially to my parents Mr. K. Raj Kumar & Mrs. K. Kumari, for their constant
encouragement and help during this research work.

I would like to thank my well wisher Dr. K. Appa Rao and all the persons
those who are involved directly or indirectly to complete this thesis.
