ACKNOWLEDGEMENTS

At the outset I would like to express my sincere gratitude and indebtedness to my esteemed Supervising Teachers, Dr. Shankar Shashidhar, Director and Dr. M. Haridas, School of Biosciences, Mahatma Gandhi University, Kottayam, for kindly suggesting the problem of my research work and for their invaluable guidance, perpetual inspiration, constant encouragement, untiring help and support without which this work could not have taken shape. Their dedication to research has always been a cause of inspiration for me.

Thanks are due to Dr. G. Muraleedhara Kurup, Dr. M. S. Latha, Mr. Jyothis Mathew and other members of the faculty; and the Administrative, Technical and Library of the School of Biosciences, Mahatma Gandhi University. A special word of thanks to Mr. T. S. Bose for his technical assistance. The advice and help received from the staff of the University main office and University Library is also gratefully acknowledged.

I express my obligation to the Management of Hindustan Newsprint Ltd., Vellore (HNL), Indian Rare Earths Ltd., Udyogamandal Division (IRE), Fertilisers and Chemicals, Travancore Ltd., Cochin and Udyogamandal Divisions (FACT-CD & UD) and Trichur Cotton mill, Nattika, for granting permission to carry out the study in the respective factories. My sincere thanks are to the staff of the administrative section and employees of the various factories. I am also very grateful to the continuous voluntary participation of the employees of these factories who contributed so much to the successful completion of the study. I do very much feel indebted to deep hearted support and continued inspiration rendered by Shri. Radhakrishna Kurup and Shri. S. K. Subhash Chandran (FACT), Shri. Madhavankutty and Dr. Mohan G. (IRE), Dr. Perumal and Shri. Joemon (HNL), Shri. V. K. Padmanabhan (Cotton mill) during the study carried out in these factories.
I am expressing my sincere thanks from the depth of my heart to research fellows, Prof. K. V. Reethamma, Mr. C. Kesavachandran and Mr. R. Harikumaran Nair, for their timely help, valuable criticism, suggestions and wholehearted encouragement extended to me for the successful completion of the work. I place my due thanks to all other research fellows, especially to Mr. R. Sanil and Ms. M. Jyothi, of the School of Biosciences, Mahatma Gandhi University, for their timely and able assistance.

I also keep on record my deep gratitude and indebtedness to Prof. G. Madhu Kumar, Head of the Department of Zoology and to all my dear colleagues in the same department, NSS Hindu College, Changanacherry, for their encouragement and immense cooperation throughout this work.

My sincere thanks are also to Mr. Benny George, Mr. M. N. Anil Kumar and other members of Copy Write, Ettumanoor, for the effort they have taken in the preparation of this manuscript.

Lastly no words or deeds could express and repay the full pledged cooperation, moral support and unselfish encouragement rendered by my dear husband, loving daughter and other members of family throughout my research programme.

Geetha B.
