LIST OF MAPS:

Map: 1.1 Location of Study Area on the Map of India

Map: 1.2 ISRO-Satellite image of study area

Map: 1.3 Drainage system of River Jonk

Map: 1.4 Topographic map of Kandajhri Nala

Map: 1.5 Topographic map of Kantara Nala

Map: 1.6 Natal Nala within Google Earth image with elevation cross section

Map: 1.7 Geological map of the Study Area

Map: 1.8 Geomorphology map of the Jonk in Mahasamund and Raipur district

Map: 1.9 General Topographic Map of the study area (Google Map)

Map: 1.10 Google Earth Satellite image of the study area showing important rivers and hill system

Map: 1.11 Land capability map of study region

Map: 2.1 Site Distribution Map of River Jonk

Map: 2.2 Site location of Microlithic sites on the Machka River

Map: 2.3 Google Earth Image of the Narega with overlaped Digital Elevation Model with 1 meter of contour interval

Map: 2.4 Distribution of Acheulian sites in the Upper Jonk

Map: 2.5 Digital Elevation Map(DEM) of the Upper and Middle Jonk with distribution sites

Map: 2.6 Generated Digital elevation model, overlapped on a Google Earth image of the Acheulian locality around Haldi Hill.

Map: 2.7 Digital Elevation Model (Atlas Shader) of the study area

Map: 2.8 Digital Contour Map of Lower Jonk.

Map: 2.9 Digital elevation model (HSV Shader) of the study area

Map: 2.10 Digital elevation model (Color Ramp Shader) of the study area

Map: 2.11 Digital elevation model (Slope Shader) of the study area
Map: 2.12 Palaeochannels of Jonk river

Map: 2.13 Land use/land cover map of the study area
