Acknowledgement

First of all, I thank to GOD for His blessing and giving me the strength to complete this work.

It fills me with great joy in expressing my gratitude to my supervisor Dr. Hardeep Singh Gujral, Associate Professor, Department of Food Science and Technology, G.N.D.U, Amritsar, whose able guidance; creative thoughts, considerate behavior and positive criticism has made this work a possibility. He has taken great pains starting from the initial planning of my research work right up to the drafting and correction of the thesis. He provided all the necessary facilities throughout the course of the project. I shall forever cherish the period during which I worked under his supervision and will remain immensely grateful to him for giving me this chance.

Further my sincere thank to Dr. D.S. Sogi, Professor, Dr. B.S. Gill, Associate professor, Department of Food Sci. & Tech., GNDU, Amritsar, Dr. Baljeet Singh, Associate Professor, P.A.U, Ludhiana, Dr. Ali Abas Wani, Assistant Professor, IUST, (J&K), Davinder Pal Singh, Dr. Rakesh Kumar Sharma, Ashutosh Sharma, Deepika, Mamta and all the friends who supported me during the whole project.

I would like to pay special and warm thanks to Mr. Idress Ahmed Wani, Assistant Professor, K.U, Srinagar (J&K) and his family for moral support throughout the project. I pay heartiest thanks to my friend Mr. Manik Sharma, he always encouraged and helped me whenever I required. I acknowledge assistance of Senior Technician Mr. Varinder Kumar throughout the project.

I would like to acknowledge Guru Nanak Dev University, Amritsar for providing financial assistance and Council of Scientific and Industrial Research (CSIR), New Delhi for awarding Senior Research Fellowship.

I express my heartfelt words of profound and respect to my revered parents who bestowed their benign benedictions and spiritual bliss upon me. I owe my loving thanks to my wife Rita Sharma and my daughter Monisha Sharma. They have lost a lot due to my research far from them. Without their encouragement and understanding it would have been impossible for me to finish this work.

I don’t have words to express thanks for the help and support of my brother Rakesh Sharma, sisters (Seema and Sushma), niece Hemlata, Jija Ji Sh. Ram Kumar Sharma and Sh. Ghanshyam Sharma, in-laws (Sh. Bhawani Shankar Sharma, Mohit Sarswat) and other family members, who always boosted my confidence.
