# Table of Contents

Table of Contents  iv  

Acknowledgment  vi  

1 Introduction  1  

2 On abstract nonlinear Volterra-Fredholm functional integrodifferential equations with nonlocal condition  10  
   2.1 Introduction  10  
   2.2 Preliminaries and statements of results  14  
   2.3 Proofs of theorems 2.2.2 - 2.2.4  20  
   2.4 Existence of second order equations  35  
   2.5 Applications  41  

3 On nonlinear mixed Volterra-Fredholm functional integrodifferential equations with nonlocal condition in Banach spaces  47  
   3.1 Introduction  48  
   3.2 Preliminaries and hypotheses  51  
   3.3 Existence of mild solutions  58  
   3.4 Continuous dependence of mild solution  71  
   3.5 Application  75  

4 On abstract nonlinear mixed functional integrodifferential equation with nonlocal condition  79  
   4.1 Introduction  79  

iv
4.2 Preliminaries and hypotheses ........................................ 82
4.3 Existence of mild solution .......................................... 86
4.4 Existence of strong solution ....................................... 98

5 On nonlinear second order mixed functional integrodifferential equation with nonlocal condition in Banach spaces ........................................ 107
5.1 Introduction .................................................................. 108
5.2 Preliminaries and hypotheses ........................................ 110
5.3 Existence of mild solution using Darbo-Sadovskii’s theorem ........................................ 117
5.4 Existence of mild solution using Leray-Schauder Alternative ........................................ 127

Bibliography ........................................................................ 138

Publications ....................................................................... 148
