ACKNOWLEDGEMENT

No research project can be completed without the motivations, encouragement and help, which we receive from different sources overtly and covertly. It is not possible to acknowledge all these sources individually; I take this opportunity to express my gratitude to every one who has contributed to my completion of this thesis.

Shrivastava, Co-coordinator, Library & Information science, Institute of Distance Education, Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.), for readily accepting to be my guide for this Ph.D work. A Guide’s role is that of a mother, who teaches to talk walk, scolding, praising, encouraging and adoring in each step, the child takes forward. She moulds the child to face the world bravely, with knowledge, education, values etc and sees her own reflection in her child.

I have always received such motherly treatment from my Guide. Thanks are too mild to express my feelings of indebtedness.
