ACKNOWLEDGEMENT

I wish to thank my supervisor, Dr. C.P. Sivadasan, for his patient guidance, help and encouragement, in the writing of my thesis.

I acknowledge with gratitude the help and encouragement given to me by the Principal, the Management of S.N. Colleges, and the U.G.C. for facilitating my research work by permitting me to go on F.I.P. But for the fellowship granted to me I would not have been able to complete this work. A special word of thanks is also due to all the colleagues in my department for the support they extended to me.

I also place on record my gratitude to the members on the staff of IACIS (ASRC), Hyderabad, and the library of the Department of English, University of Calicut. I am further indebted to the teachers and the non-teaching staff of the same department who had provided all necessary facilities for my work.

I am obliged to my family and parents for being an immense source of help and sustenance throughout the period of the research. I record a special word of gratitude to the F.I.P. pals, S. Nagesh, Salil Varma, and K.P. Nanda Kumar, for making my two year spell as a full-time researcher in the University, a memorable and enriching experience. Lastly, I express my gratitude to all the people who, in various ways, have helped me in completing the thesis.
