ACKNOWLEDGEMENTS

I am deeply indebted to my supervisor Prof. Ajmer Singh, Director Physical Education and Sports, Panjab University, Chandigarh for his encouragement and generous advice for the completion of this project.

Words fail me to express my sincere thanks to Prof. Karan Singh Ji, “Dronacharya Awardee” for providing me all the documents and other material required for the completion of the thesis. His very sincere and kind cooperation was the source of my inspiration.

The present study would not have been completed without the scholarly guidance and help of Dr. Jagtar Singh Gill, Reader, Department of Physical Education, Panjab University, Chandigarh. The author places on record his deep sense of gratitude to him for his valuable and constructive help.

The author is extremely grateful to all the distinguished colleagues, contemporaries, athletes and students of Prof. Karan Singh Ji who were very prompt to fill the lengthy questionnaire and sent to the author. This kind gesture helped me to expedite my work.

At the risk of omitting any one, I acknowledge the contribution of ‘All’, who have contributed in the project directly and indirectly. For them I would quote ‘Keats’. ‘The uttered words are sweet, but those unuttered are sweeter’.
