ACKNOWLEDGEMENTS

The success of my academic endeavour depends to a great extent on the quality of guidance and help one receives. In this respect I would like to express my heartiest gratitude and sincere indebtedness to my supervisor Dr. Shamsul Haque Siddiqui, Reader, Department of Geography, Aligarh Muslim University, Aligarh, without whose skillful and valuable guidance, it would be beyond my reach to complete the thesis so successfully and efficiently.

I am sincerely thankful to Prof. Azimuddin Qureshi, Chairman, Department of Geography, Aligarh Muslim University, Aligarh, for providing the necessary facilities to complete this work without any difficulty or financial constraints.

I am also thankful to Dr. Abdul Munir, Reader, Department of Geography, Aligarh Muslim University, Aligarh who has guided me at every stage for the completion of this thesis.

I wish to express my deep sense of gratitude to Dr. Mohammad Shafi, Professor Emeritus, Department of Geography, Aligarh Muslim University, Aligarh for this encouragement and valuable suggestion during the completion this thesis.

I am thankful to my youngers Mr. Mohd. Shoeb, Shakeel Ahmad, Shamshad Ahmad, Azhar Aleem and my room-mates for their support and inspiration in the completion of the work.

I wish to extend heartiest thanks to my dearest friend Mr. Tauqir Ahmad Abbasi for their co-operation, affection, care, encouragement, and fruitful suggestion which has been a great
source of strength throughout my studies. I am also thankful to Dr. Fazlur Rehman, Sagheer Ahmad, advocate, Mohd. Hasan, Faiyaz Ahmad, Sayeed Ahmad, Kausar Shamim and Jamshed Ahmad for their co-operation and kind suggestion.

I wish to express my thanks to Mr. Ashfaque Ahmad for his help in computer programming. Thanks are also due to Mr. Munnay Khan and Mr. Mohammad Javed for his cartographic assistance. I am also thankful to Mr. Naseemul Islam Ansari and Talat Aapa, Librarian, Research Section, Department of Geography for providing the necessary literature, I am also grateful to my research colleagues and friends for their cooperation and valuable suggestion during the course of study.

I am also indebted to my parents, sisters, brothers, Dr. Mohd. Aazam, Mohd. Aslam, Aijaz Ahmad, Ishtiaque Ahmad and Feroz Ahmad without whose blessings this thesis would not have been the light of the day.

The financial assistance from the University Grants Commission through Geography Department of Special Assistance is greatly acknowledge because this thesis would have a remained incomplete without their assistance.

Above all, I express my gratitude to Almighty Allah who provided and guided all the channels to work in cohesion and coordination and led me to this path of success.
