ACKNOWLEDGEMENTS

It is a proud privilege for me to record my deep sense of gratitude and indebtedness to my supervisor Dr. (Mrs.) Sushma Ghildyal, Sr. Lecturer, Department of Physical Education, B.H.U. without whose keen interest, constant advice, and encouragement it would not have been possible for the thesis to assume this form. I always behold to her for many spared days at the height of her busy schedule.

I take this opportunity to convey special thanks to my respected teacher Dr. Dilip Dureha, Head, Department of Physical Education, Faculty of Arts, B.H.U., Varanasi, for his valuable suggestions and substantial support for this study. I am also thankful to him for providing the facilities in this regard.

I express my heartfelt thanks to Dr. Ram Bali Singh, Professor and Ex. Head, Department of Physical Education, B.H.U. for his kind co-operation and valuable suggestions.

I wish to put on record my sincere appreciation for the dedicated egrets, guidance and help during my study to Dr. Y. Venkatraman, Sr. Scientist, National Institute of Nutrition, Hyderabad and Nama Ashish Prem Singh, Lecturer LNCPE, Trivendrum.

A very special debt of gratitude to Dr. (Ms.) Archana Singh, Lecturer in Physical Education, M.M.V., Ms. Nirmala Horo, Lecturer in Physical Education, Science Faculty, Dr. (Ms.) Archana Chahal, Lecturer in Physical Education, Allahabad University, Dr. Ashish Deb, Jr. Resident, IMS, Dr. Arvind Tripathi, IT. and Mr. Rajeev Singh, M.P.E. student.
I am indebted to numerous individuals, organizations, Athletic Coaches, Managers for their assistance and preparation for conducting this job. I am profoundly thankful to all athletes of different universities who acted as subjects in the study for their great co-operation and enthusiastic support.

I can never forget meritorious services extended by M.P.E. and B.P.E., students of Department of Physical Education, B.H.U., Mr. Sanjay, Mr. Jitendra Pratap Singh, Mr. Yatendra Pratap Singh and their friends who helped me in various ways.

My sincere thanks and gratitude to faculty members and non-teaching staff of LNIPE, Gwalior, LNCPE, Trivendram, Central Library, National Institute of Nutrition and Department of Physical Education, B.H.U., Varanasi.

My thesis is really the labor, the love and patience entirely because of care, constant encouragement and supporting me morally with viable advice of my entire family, without their blessings this work would never have been completed. I offer my warmest gratitude to the everlasting memory of my Father. I am specially beheld for generous and invaluable support of my friends.

My special thanks are towards Mr. Dharmendra Kumar Tamanna, who brought this thesis in this form throught his computer skills.

Lastly warm appreciation to all those who had been a repeated source of inspiration even since and directed me with enthusiasm, moral support to undertake and complete this study.
