ACKNOWLEDGEMENTS

The completion of my research work and its subsequent submission in the present form would not have been possible without Almighty Allah’s grace. He created favorable situations out of nowhere and provided me with love and support of many wonderful people. Words are not enough to convey my gratitude for them. Nevertheless, it’s my duty to thank them.

Words cannot express the indebtedness I feel towards my supervisor Dr. Iqbal Sabir who selfless guidance has been most inspiring. The Chairman of my department Prof. B.L. Bhadani helped me in ways more than one, I am thankful to him.

At this moment I cannot forget Dr. I.G. Khan who trained me in History of Science. I owe a lot of the understanding of the subject to him. His wife Dr. Zulfiya Khan was forthcoming enough to share his valuable collection of research material and books. But for her kindness it would have been difficult to put together my ideas on certain topics.

Dr. Jilani, Mr. Syed Raza Imam and Mr. Alamgir rendered valuable help in explaining and translating Persian texts wherever deemed necessary. I thank all my teachers for my understanding of the discipline.

Professional assistance is a different matter and I would like to acknowledge the excellent services provided by the staff (Arshad, Bansidhar, Salman and Zubair) of Library, Department of History, A.M.U., the Maulana Azad Library, A.M.U. and INSA Library, Delhi.

God has bestowed me with a number of good friends. The help and encouragement extended by Dr. Abu Shariq and Shariq Raza have been
immense and is beyond expression. All of my friends and seniors helped me at various stages of my research. Being continuously motivated by Dr. Mohd. Khurshid Alam, Mr. Nasruddin Khan, Mr. Mohd. Arshad, Mr. Danish Mahan, Mr. Sharib Ali, Ms. Umama, Ms. Rasihda, Mr. Tauqeer, Miss Priya and Mr. Manav. I was impelled to accelerate the pace of my research. I cannot thank all of them enough. Special thanks are also due to Mr. Ankit Jain for providing the mode of transport.

It would have been impossible to complete my research without the support of my family particularly my parents (Mr. Syed Mubarak Nawab & Mrs. Umme Rabab) have always been sources of inspiration.

My brother Johnny stood besides me as a pillar of strength both morally and financially.

Last but not least I am thankful to my typist, Mr. H.K. Sharma for typing.
