List of Figure & Tables

FIGURES

1.1 Buffering effects of hardiness 19
1.2 Direct and indirect effects of hardiness 19
1.3 Conceptual framework 47
3.2.1.1 Academic Stress 88
3.2.1.2 Hardiness 89

TABLES

4.1. Factor Analysis of Students Stress Scale 94
4.1.1. Factor 1: Inadequate academic environment in the college 94
4.1.2. Factor 2: Lack of adjustment or incapable to accommodate 95
4.1.3. Factor 3: Apprehensive about future 95
4.1.4. Factor 4: Poor administration 96
4.1.5. Factor 5: Worries 96
4.2. Showing number of subjects representing to the independent variables 97
4.3. Analysis of Variance using overall scores obtained on Achievement Motivation as the dependent variable 97
4.4. Mean, Standard Deviation and Sample size 98
4.5. Analysis of Variance using overall scores obtained on Problem Solving as the dependent variable 98
4.6. Mean, Standard Deviation and Sample size 99
4.7. Showing number of Subjects representing the independent variables 100
4.8. Analysis of Variance using overall scores obtained on Achievement Motivation as the dependent variable 100
4.9. Mean, Standard Deviation and Sample size 101
4.10. Analysis of Variance using overall scores obtained on Problem Solving as the dependent variable 102
4.11. Mean, Standard Deviation and Sample size 103
