ACKNOWLEDGEMENT

It is solely due to the mercy of Almighty "ALLAH" that this work has been completed.

It is my profound privilege to express heartiest indebtedness to my learned supervisor, Professor Najmul Haq, Department of Education, Aligarh Muslim University, Aligarh, for his constant inspiration and keen interest. His intellectually stimulating discussions, suggestions and able guidance always enlightened me in my difficult moments.

I am very much thankful to Professor Anwar Jahan Zuberi, Chairperson, Department of Education, Aligarh Muslim University, Aligarh for providing all kinds of supports and facilities, for conducting the present research work whole heartedly.

I am also grateful to Professor C.P.S. Chauhan, Ex-Chairman, Department of Education, Aligarh Muslim University, Aligarh, for his moral support and various suggestions from which I have been greatly benefited.
I am very much obliged to the principals and staff of various schools who cooperated in the collection of my data.

I must take the opportunity of expressing my heartfelt gratitude to my parents, sister and brother for their sustained cooperation and constant encouragement for pursuing the work.

The completion of this research work has been greatly aided by the encouragement and help of my husband Mr. S. Izharuddin Shah and my mother in law.

Last but not the least I would like to thank all the teaching and non-teaching staff of Department of Education, Aligarh Muslim University, Aligarh for their help and cooperation.
