Acknowledgement

I take this opportunity to express my gratitude to those who remained a beacon of light to me throughout the endeavor. There are many who need to be acknowledged but there are few who deserve special acknowledgement at an individual and personal level.

I owe my sincere gratitude to my supervisor, Dr. (Mrs.) Kausar Husain, for her constant assistance and guidance without which this work would not have been complete.

I owe my intellectual debts to my esteemed teachers, Prof. A.R. Kidwai, Dr. Raashid Nehal, Dr. Amir Ullah Khan, and Dr. Rahat Ullah, who offered the needed encouragement and support at the outset of the work.

My sincere gratitude is due to Malika, as she always been encouraging, helpful and a constant source of inspiration for me.

To Habib, Neha, Rizwana, Zeba, for being supportive and helpful.

I must acknowledge the staff of Seminar Libraries of English and Education department, A.M.U, for providing me with materials which were of much use in my thesis.

I must also acknowledge the services received from Maulana Azad Library, A.M.U, Aligarh, Ramesh Mohan Library, EFLU, Hyderabad, British Council Library, Delhi, and pay my thanks to their staff.
I must express my deep appreciation to my parents for their never failing support and encouragement.

To no one do I owe more than to my husband Nazim, who has, as always, given me his support, and remained a never failing source of inspiration and strength throughout the work.
