Acknowledgement

First and foremost, I would like to thank the Almighty God for showering upon me his infinite blessings throughout the period of my research work.

I owe a deep sense of gratitude to my guide, Dr. Kamayani Mathur. She not only provided the necessary guidance in the conceptualization of this research work but was a constant source of inspiration and motivation at all stages. Her deep insight into the subject derived from her experience was of immense help in the designing of research methodology.

I am extremely grateful to Dr. Rashmin Sompura Assistant Professor, and Late Dr. Mario Xaviour Associate professor, Department of Psychology, Faculty of Education and Psychology, M.S. University, Baroda, for their guidance. I am extremely thankful to all the Principal’s of the colleges & head of the Department of M.S. University Baroda, S.P. University Vallabhi Vidhyanagar and Gujarat University Ahmedabad. For their cooperation in collecting data from the students of colleges(U.G.) and Universities(P.G.).

This research project would not have been complete without the consent of the subjects. I am extremely grateful to them for their time and cooperation.

I am greatly indebted to my family members for their constant support and inspiration throughout this research study.
