ACKNOWLEDGEMENT

Though a formal statement of acknowledgement will hardly meet the ends of justice in expressing my deep and unbound sense of gratitude, I feel privileged with humble respect to express my sincere thanks to my learned teacher and guide, Dr. N. S. Bhalla, Director, Global Institute of Management, Amritsar, for his able guidance, perpetual inspiration and constant encouragement which have enormously enabled me in executing my research work. His humane and benevolent disposition throughout the association, constant follow-up and praiseworthy suggestions proved to be a guiding light for me and they will remain so, always. I consider myself fortunate to have had an opportunity to work under his guidance and supervision.

I sincerely thank Dr. Fulbag Singh & Dr. A. S. Sidhu, Professors and Dr. B. S. Hundal, Reader, Department of Commerce & Business Management, Guru Nanak Dev University, Amritsar, for their motivation and support.

Words at my command are not sufficient enough to express my feelings for the love & care given, efforts & sacrifices made and boons & blessings showered on me by my parents Mrs. & S. Zorawar Singh Chohan and Mrs. & Dr. Tarvinder Singh Chahal at every stage of my life.

My husband, Harpreet, stands apart as a beacon’s light, who, with his glow and warmth, fought down all the temptations, which the evil dark shadows might have had over me. My son, Gur Rehmat, with all his smiles, is a constant source of energy & ecstasy, making everyday of my life a wonderfully pleasant experience. I thank both of them from my heart for bearing with me during my occupation with the project.

My thanks are also due to Gur Noor, Gur Mehar, Ruby, Mannu, Sunny, Mandeep & Tanjit, Kuljeet & Sukhdeep and Mahnaaz for their constant support, encouragement and invaluable help.

Efforts of Shahbaaz Singh, who helped me with his vast knowledge of computers, are especially acknowledged.

I owe it to Akal Purakh, for giving me courage, patience and motivation to undertake and complete this endeavour successfully.
