ACKNOWLEDGEMENT

It gives me great pleasure to express my deep sense of gratitude to my Research Director **DR. T. BYRAGI REDDY**, Professor in the Department of Environmental Sciences at Andhra University, for suggesting the subject for my research work and the steadfast guidance, insightful review and suggestions throughout the course of work.

I also thank **Dr. P.S. Rajasekhar**, Head of the Department, **Dr. E.U.B. Reddi**, **Dr. K. Kameswara Rao** and **Dr. P.V.V. Prasada Rao**, Professors in Environmental Sciences at Andhra University, for their excellent support and according permission to use the laboratories in the Department.

I am indebted to my colleagues in the Department, especially **Mr. Ch. Venkata Ramana** and **Mr. B. Ajay** of Environmental Sciences for their constant support and help in the field and in the laboratory.

I am greatly beholden and owe a deep sense of honor to my parents **Sri E. VENKATA RAMANA**, **Smt E. RAMANAMMA**, brothers. **E. Radha Krishna** and **E. Satish Kumar Yaduvams**, Sister **E. Padma Latha**, Brother-in-law **T. Ramesh Kumar** and all other family members for their love and encouragement which they have bestowed upon me and for their unfailing support throughout my career.

Finally, I am highly indebted to my wife, **UMA MAHESWARI** & my son **KETHAN KARTHIK YADUVAMS**. My wife care, affection and encouragement that provided me the moral support required for the successful completion of this work.

(E. Madhu Sudan Yaduvams)
