ACKNOWLEDGEMENT

I am ever grateful to Almighty God to be fortunate enough to carry out this research work under the supervision of eminent verimitechnologist and my former teacher Dr. Sultan Ahmed Ismail, Institute of Research in Soil Biology and Biotechnology, The New College, Chennai - 600 014. I am deeply indebted to this all time inspiring teacher for his invaluable guidance, encouragement and unfailing support. I feel greatly privileged to work under this innovative environmentalist having inexhaustible reservoir of ideas.

I have profound pleasure in thanking Prof. C.M. Jacob (Principal, C.M.S College), Prof. Jim George (Former HOD), Prof. K.P. Varghese (Present HOD), Prof. A.P. Thomas and other teaching and non-teaching staff of the Department of Zoology, C.M.S. College, Kottayam for providing facilities to carry out research and for their kind concern and encouragement.

I wish to thank the Management of The New College, Chennai, and the Principal, Head of the Department, teaching and non-teaching staff of the Department of Zoology, The New College, Chennai for their encouragement and co-operation.

I acknowledge with pleasure the great help and co-operation extended by the research scholars Chitra, Hamza, Sabitha, Mohsina, Anne, Jagan, Geetha, Sundar, Radha, Aswathi and Lalitha at the Institute of Research in Soil Biology and Biotechnology for the help rendered during the course of my research. I am particularly grateful to Ramesh, field assistant for his assistance.

I also take this opportunity to thank Mr. R.K. Raman and Mrs. K.J. Tressy for their valuable suggestions and help.
I sincerely thank Mr. V. Chandrasekar in sparing so much of his time to give me the benefit of his expertise in statistics.

I am extremely privileged to offer my wholehearted thanks to Mrs. Tasneem Ismail, Ms. Azra Ismail and Mrs. Taj Ismail for their kind support and encouragement.

A special word of thanks to Mrs. Susan and Mr. Markose for their concern, help, encouragement and prayers.

To those in my family who have both tolerated and shared my interests have been of utmost importance. I particularly thank my parents, my husband Mr. George Thomas, my son Jubin and my mother-in-law for their patience forbearance and continuous moral support and for all the help and prayers; to my cousin Mr. Cherian Mathew and family and my sister Latha for their encouragement and support.

Thanks to all my friends and well wishers who have helped me in several ways on many occasions.

To Almighty I bow with reverence and gratitude.

March 1998
