Publications and presentations

1. Carbon nanotubes induced crystallization of poly(ethylene terephthalate)
   K. Anoop Anand, U.S. Agarwal, Rani Joseph
   *Polymer* 2006;47:3976.

2. Carbon nanotubes reinforced PET nanocomposite by melt-compounding
   K. Anoop Anand, U.S. Agarwal, Rani Joseph

3. PET-SWNT nanocomposites through ultrasound assisted dissolution-evaporation
   K. Anoop Anand, U.S. Agarwal, Rani Joseph

4. PET-SWNT nanocomposite fibers through melt spinning
   K. Anoop Anand *et al.* (to be submitted).

5. Natural rubber-SWNT nanocomposites through latex compounding
   K. Anoop Anand *et al.* (to be submitted).
