ACKNOWLEDGEMENT

It is the pleasantest task to heartfully thank the research guide Dr. (Mrs.) K. RAJAMMAL, Formerly Reader in Biological Science, Sri Sarada College of Education, Salem and Principal, Paavai College of Education, Rasipuram (now) for the precious guidance, constant encouragement, enthusiasm, help and service without which this thesis could not have flowered.

The researcher wishes to record her deep sense of gratitude to Sri. Dr. P.S. BALASUBRAMANIAN, Head, Department of Education, University of Madras (Retired) and also Dr. (Mrs.) M. SUMATHY, Principal, Sri Sarada College of Education, Salem for their constant encouragement, valuable suggestions and enthusiasm which have brought this work to the present shape.

The researcher thanks the Headmaster, Teachers and Students of Sankar Higher Secondary School, Sankari West, Namakkal District for their constant inspiration and cooperation to successfully complete this research endeavour.

The researcher records her deep sense of gratitude to M/s PRINT POINT, Salem for their precious help in bringing up this thesis in time.

Help has also been received from so many individuals at such diverse times that it would be impossible to name them all, but it does not mean that the researcher has failed to appreciate the value of such help and to be grateful for it.
