ACKNOWLEDGEMENTS

Foremost, I would like to express my sincere gratitude to my advisor and Guru Dr. H. M. Sampath Kumar for the continuous support of my Ph.D. study and research, for his guidance, motivation, enthusiasm and immense knowledge. The intensive training that I imbibed during my Ph.D. would be substantially beneficial for my career. Apart from his guidance, he has given me the life built confidence and lifted my spirits, which cannot be described in words.

It is with great pleasure that I place on records my sincere thanks and profound gratitude to Dr. G. N. Qazi (Former Director, IIIM-Jammu) and Dr. Viswakarma (Director, IIIM-Jammu) for providing all the requisite facilities to carry out this research work.

I am highly thankful to Dr. Inshad Ali Khan and Dr. Fayaz Malik for screening of compounds for cytotoxicity and immunomodulatory activity.

I am highly thankful to Research Committee, Department of Chemistry, Guru Nanak Dev University, Amritsar, for giving me a chance to get registered in the department. My special thanks go to Prof. Harjit Singh, Prof. Mahajan, Prof. B. S. Randhawa and Prof. Subodh Kumar for their continuous support throughout my study.

It gives me an immense pleasure and pride to express my gratitude to the scientists and staff members of the instrumentation section of IIIM, particularly Mrs. Basant Purnima Wakhloo, Dr. Ravi Kant Khajuria, Mr. Sanjay and Mr. Vikram.

It gives me a great pleasure to express my gratitude to my colleagues and lab workers; Dr. Naveed, Dr. Sawant, Dr. Parvindr, Dr. Bilal, Dr. Shafī, Dr. Bhaskar Reddy, Dr. Abid, Dr. Mahendhar Reddy, Ms. Tabassum, Dr Naveen, Dr. Amit, Sandeep (GNDU), Mr. Swarn Singh, Mr. Satish, Mr. Verma, Mr. Mahipal Yadav, Ms. Jabeena, Mr. Tilak Raj, Mrs. Savitri.

I take this opportunity to thank the whole scientific and non-scientific staff of IIIM for supporting my thesis directly or indirectly. The assistance rendered by the administration and library is gratefully acknowledged.

It gives me an immense pleasure to express my sincere thanks to Sampath sir's family members Padmaja madam (wife) and Nikhila (daughter). They always treated me as one of their family members.
I invariably fall short of words to express my heartfelt gratitude to my family members: Vaishnavi (daughter), Tanushq (Son), Jada Somalingam (Father), Gangamma (mother), Dhanalakshmi, Venkanna (Brother). I would like to thank my lovable wife Mrs. santhoshi for continuous support, unending patience and tolerance especially during the last few months of the write-up. I owe my all achievement to my parents and wife

Financial assistance from the Council of Scientific and Industrial Research, New Delhi in the form of fellowship is gratefully acknowledged.

(J. Srinivas)
