DECLARATION

I hereby declare that the research done on the topic "Relationship of Somatotype Components to Personality Traits, Self Concept, Reaction to Frustration and Selected Motor Ability Variables Among Secondary School Boys" is my original piece of research work done by me. I have specified by means of references, from where the information has been taken.

To the best of my knowledge, this thesis is not substantially the same as those which have already been submitted for a degree or any other academic qualification at any other university.
