ACKNOWLEDGEMENTS

A deep sense of gratitude is expressed to Late Dr. N.N. Mall, and Dr. A.K. Uppal, Professor and Dean, Lakshmibai National College of Physical Education, Gwalior, for their guidance, suggestions and encouragement given in successfully completion of this study.

Thanks are due to the Principal, Rabbani School for permitting the investigator to select the school students as subjects for the study and also Dr. Shiv Kumar, for his interest and cooperation through out the project.

Sincere thanks are expressed to M/S Sushila Avasthy, Indu Chaudhary, B.S. Brar, Vijay Srivastava, Lecturers, R.N. Dey, Reader and A.S. Tomar, Pathology Technician, Lakshmibai National College of Physical Education, Gwalior, for helping him in the completion of the project.

Thanks are also to M/S Narendra Gaur, Rajesh Mishra and Moti Prasad, students of Master's degree, for their cooperation from time to time in administering the training programme.

A deep sense of appreciation is due to the students of Rabbani School, Gwalior who voluntarily acted as the subjects and gave blood sample. It would have been difficult for the investigator to complete the study successfully without their cooperation.

A.S.S.
