ACKNOWLEDGEMENT

First and foremost I would like to express my sincere thanks to my esteemed research supervisor Dr. K. Veeraiah, Department of Zoology and Aquaculture, Acharya Nagarjuna University for his exemplary guidance and perseverance. His meticulous supervision, sustained enthusiasm, creative suggestions, constructive criticism, freedom of work and encouragement throughout my research work was primarily responsible for this accomplishment.

I owe my deepest gratitude to Prof. K.R.S.S. Rao, Chairman, Board of Studies, Department of Biotechnology, Acharya Nagarjuna University, for his expertise, help, constant support and encouragement during the course of this work.

I am also grateful to faculty members, Dr. P. Sudakar, Co-ordinator, Dr. A. Krishna Satya, Dr. K. Kasturi, Dr. D. Srinivasa Rao, Dr. P. Udaya Sri, Mrs. N. Vijaya Sree, and Mr. V. Suresh, Department of Biotechnology, Acharya Nagarjuna University.

I sincerely express my ecstatic thanks to Prof. R.R.L. Kantam, Registrar, Acharya Nagarjuna University and Prof. K.V.S. Sarma, Department of statistics, Sri Venkateswara University, Tirupathi for their help in statistical analysis of my research data.

I take this opportunity to express my thanks to Prof. D. Krishna Rao, Director, C.R.L and C.D.E, A.N.U and Dr. R.V.S.S.N. Ravi Kumar, Co-director of central laboratory, Acharya Nagarjuna University for all the help extended in Chromatographic analysis.
I would like to express my gratitude to Prof. S.K.G. Krishnamacharyulu, Co-ordinator ‘Geoinformatics’, Swami Ramanand Teerth Marathwada University, Nanded, Maharashtra for his encouragement during my research work.

A special note of thanks to all non teaching staff of Biotechnology department particularly M. Dhilleswara Rao, O. Tirupathiah, N.Srinivasa Rao, P. Dinamma for their indispensable cooperation and support.

I wish to extend thanks to fellow research scholars J. Srilakshmi, G. Sravanthi, Ch. Kereena, V. Pavithra, Dr. S. Tata Rao, L. Kiran Kumar Reddy, A. Rajasekhar, K. Vijaya Sudakar, H. Dhilleswara Rao, Ch. Vivek for providing me with a stimulating atmosphere.

Special thanks as well go to Dr. D.S. Raju Naidu, Dr. T. Siva Rama Krishna of Guntur Government General Hospital, Guntur, Dr. Ramana Kumari, Histopathologist, Government Medical College, Guntur, Dr. Srinivasa Reddy and Dr. Lakshmi Narayana of Bommidala Cancer Institute, Pedakakani, Guntur.

The never ending process of unsurpassable dedication on the name of friendship of the friends: Dr. A. Bala Krishna, V. Mahendra Kumar, M. Rajani, J. Madavi, Ch. Rajendra Kumar, N. Babajaan (Sri Krishna Devaraya University) and G. Vijay N Reddy, (Hyderabad Central University) and for their appreciation, inspiration and motivation during the tenure of my research work.

All the words in the lexicon will be meaningless, if I fail to divulge my extreme sense of regards to my adorable parents for their sacrifice, prayers and blessings.

It is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

M. NEERAJA REDDY
