ACKNOWLEDGEMENT

I am proud to express my profound respect, deepest admiration and sincere thanks to my research director Dr. D. Bhaskara Rao, M.Sc., M.A., M.A., M.Ed., Ph.D., Professor and Principal, R.V.R. College of Education for his valuable guidance and constant help throughout the research study. His critical comments, enlightening discussions and innovative ideas have been instrumental in the successful completion of the study. I express my deep sense of gratitude for his invaluable support and patience in completing this research study. This thesis would not have shaped to this form without his cooperation.

I am extremely indebted to Sri Gadde Mangaiah, Secretary and Correspondent of R.V.R. College of Education for his consistent support and encouragement and for providing me the necessary resources to accomplish my research work.

Further, I am highly thankful to all the principals, mathematics teacher educators and mathematics student teachers of sample Colleges of Education for their whole hearted cooperation in providing the required data for the study.

I wish to express my appreciation to teaching and non-teaching faculty of R.V.R. College of Education for their friendly support.

I express my heartfelt thanks to my wife Mrs. M. Sreelatha, my dear daughters Sushmitha, Varshitha and my beloved parents Smt. M. Malathi Devi, Sri. M. Brahmeswara Rao for their unceasing co-operation.

I express my sense of gratitude to all my well wishers, friends and everyone else who helped me in the successful completion of my research study.
