ACKNOWLEDGEMENTS

I would like to express my deep gratitude to the Almighty whose blessings have enabled me to complete my research work. The successful completion of any study and particularly the one based on survey method owes a great deal to the support from numerous persons.

I am indebted to my respected supervisor, Dr. K P Singh, Senior Assistant Professor in the Department of Library and Information Science, University of Delhi for his enthusiastic interest towards my research work and his tolerance towards any errors that may have come up. I am thankful to him for sparing his valuable time to guide me throughout the duration offering his suggestions and encouragement towards my work.

I am thankful to Dr. (Mrs.) P. K. Walia, Head of the Department, Department of Library and Information Science, University of Delhi, for her support that has enabled me to complete this research work. I would also like to thank all the faculty members of the Department of Library and Information Science for their support and encouragement during the period of my study. I am thankful to the library staff of the Department of Library and Information Science for providing me all the relevant literature for the purpose of the study.

I would also like to take this opportunity to thank all the respondents who not only have been very kind to fill the questionnaires but also spent their most precious time in providing requisite information through meetings and interactions.

My sincere thanks to Dr. Prabhat Mittal, Assistant Professor in Satyawati College (Evening) who helped me in analyzing the data and giving me proper guidance in using statistical software for data analysis. I would appreciate the cooperation and assistance of Mr. Malkeet Singh at each and every step in completion of this research work.
I express my thanks towards my family for their bounteous words of encouragement and good wishes accompanied me throughout my life, especially, my father for accompanying me during my data collection and helping me out in editing and finalizing my thesis.
