It is with the deep sense of gratitude that I acknowledge the inspiration, encouragement and guidance extended to me by my research guide Dr. Santosh R. Dastane, Director, Neville Wadia Institute of Management Studies and Research, Pune, 411001. His suggestions, constant advice, pursuit for perfection, meticulous detailing have helped me in completing this research work.

I am sincerely thankful to Dr. Mrs. Dhanmanjiri Sathe, Head of the Department of Economics, Pune University for her active support and guidance in completing this research. My thanks are also due to the staff of the Department.

I sincerely thank Dr. Bhagwan Thakur, Principal, Nowrosjee Wadia College, Pune and the Vice Principals, Dr. M.M. Andar and Dr. S.L. Bonde for their encouragement and support in my research work.

I am thankful to Dr. R.R.Sakhare, the librarian of Nowrosjee Wadia College, Pune, where I work as a lecturer and Head of the Department of Economics. I thank wholeheartedly the library staff of my college who cooperated me in providing the required literature for my work. I duly recognize the assistance and support of my colleagues in Nowrosjee Wadia College.

I am indebted to the Gokhale Institute of Politics and Economics, Dr. Dhanjayrao Gadgil Library and its staff for allowing me to avail of the library facilities for my research work.
I am also thankful to the librarian of Neville Wadia Institute of Management Studies and Research, Pune, Miss Archana and her assistants who provided me with data and information for my research.

My thanks are also due to the library staff of Maharashtra Sahitya Parishad, Pune, Maratha Chamber of Commerce, Pune and Phoenix Library, Pune for availing me the useful references for my research work.

I am thankful to Dr. Jyotiram More who spent his valuable time for the technical part and final presentation of this work. I also thank Prof. Amit Sonawane who assisted in preparing the location map in the study.

Last but not the least, I am heavily indebted to my family members who always stood behind me throughout the completion of the work. My parents, Dr. R.G. and Mrs. Vijaya Kulkarni acted as the major force to take on the research work. My husband Prof. Arjun Musmade was my right hand throughout the period of the research work. Without his active support and encouragement, the research would not have seen the light of the day. I must acknowledge the small hand of assistance by my son Amey who not only encouraged me to carry on the work but also helped me in the presentation of the work in his capacity.

I dedicate this research work to my family with love and gratitude.
