Acknowledgements

At the very outset, I am totally indebted and bow my head with submission to Almighty God whose blessing offered me a constant stream of devotion towards this task.

With immense pleasure and sincerity, I would like to express my deep sense of gratitude and indebtedness to my esteemed Research Supervisor Dr. (Mrs.) Kiran Singh, Associate Professor, Department of Chemistry, Kurukshetra University, Kurukshetra for her constructive suggestions, able guidance and constant encouragement during the course of this investigation. In fact, I regard the elegant and graceful person as an epitome of knowledge. It was her motivating, inspiring and affectionate words that propelled me to the heights where I stand today. I definitely owe it to you, Mam.

I am extremely grateful to Prof. R. C. Kamboj, Chairman, Department of Chemistry and University authorities for providing necessary research facilities throughout the course of this investigation. I am thankful to all the Faculty Members, Chemistry Department whose constructive comments and time to time suggestions have greatly helped me in improving the quality of my research work.

I owe my deep sense of gratitude to Prof. D. P. Singh, Department of Chemistry, NIT Kurukshetra, who has been really a mentor to me, solving the problems whenever required.

A special word of thanks to Dr. Ramesh Kumar and my lab mates Mr. Parvesh Puri, Manish, Ms. Sunita Raparia for being a great source of help whenever I needed.

I am very much pleased at this moment of time to thank my friends especially Dr. Krishan Dhaka (NCL Pune), Dr. Sunil Yadav (CPB Hisar), Mr. Mahender Grover, Rakesh, Manoj Yadav, Pawan, Gulab, and Harshvardhan who have encouraged and helped me throughout the tenure of my research work.

Earnest thank to my friend Dr. Chetan Sharma, Microbiology Department, for doing biological activity of the samples.

My heartfelt thanks to my closest aides and ally Mr. Virender Dhillon, Satish Kharolia, Jasbir Sangwan, Deepak Aneja, Mahesh Attri, Krishan Mehra, Narender Dhanda, Sohan Lal, Sunil Dhull, Bhupinder Kumar, Dinesh, Naseeb Dhania, Anshul Bansal, Suresh Suthar, Rajiv, Gulshan,
Sitaram, Ms. Ravinder Kaur, Suman, Mamta, Shweta, Prabjot Kaur and Surbhi Chopra who stood by my side in my bad times and support they have provided will be remembered forever.

I also wish to record my sincere thanks to my Grandfather, Father, Mother, Uncles and aunts, brothers and sisters for their constant cooperation and moral support that had been a source of inspiration and encouragement to me. I am also grateful to my loving brother in law Yogesh, sister Manju and fiancée Mukesh for their precious moral support, affection and constant encouragement to bring this work into completion and lovely little Avni for his affection.

Finally, the financial help from University Grant Commission, New Delhi in the form of UGC-JRF/SRF is gratefully acknowledged.

Last but not the least I would like to acknowledge all those, who mean a lot to me and those whose name I might have forgotten to write in the manuscript.
