Any word or expression would prove to be incompetent to express our gratitude toward God-the Almighty! I bow down to Mother for blessing me with everything with the help of which I could prepare and submit this work for Ph.D.

Next to god is Guru, but then we do have a famous saying which says that it is a matter of dilemma to choose between Guru and God when we have to; but like in that saying I would also express my deepest gratitude to my Guide Dr. Alok Kumar Chakrawal [Professor, Department of Commerce & Business Administration Saurashtra University Rajkot] who guided and motivated me for this work.

I am also thankful to Dr. D.P. Chauhan [Professor & Head, Department of Commerce & Business Administration Saurashtra University, Rajkot] for her support and motivation. And also all the faculty members and administrative staff of [Department of Commerce & Business Administration Saurashtra University, Rajkot]

This research work would not have been possible without moral support and constant help of my wife Sejal. I am thankful to her for supporting me in the times of frustration and stress during the unending period of work. I am also indebted to my father for providing me the environment and other assistance which proved to be essential for the work.

Finally I dedicate this work to my new born baby girl Prisha.
