“Words of thanks and gratefulness are not just spoken, but are felt from the very depth of the heart”

Completing my dissertation would not have been possible without the support and encouragement of numerous individuals.

I express my gratitude to Dr. D.K Kansal, HOD Department of Physical Education & Sports Sciences, Faculty of Inter-disciplinary and Applied Sciences, University of Delhi, Delhi for his wisdom and support along this journey of my dissertation. I would like to thank, for the insight he provided as I worked to accomplish this goal.

My sincere thanks and appreciation to my supervisor Dr Sandeep Tiwari, Associate Professor, (Indira Gandhi Institute of Physical Education and Sports Sciences), University of Delhi, Delhi for his guidance, constructive criticism and unwavering dedication throughout the course of this study. His passion and enthusiasm for research is inspirational. I thank him for helping me to register at University of Delhi and moulding me into the art of researching. His critical questioning forced me to think of the constructive criticisms on the dissertation structure and contents, and for meticulous reading of the dissertation. His constant and consistent inspiration and persuasive monitoring of work throughout the research work is beyond my words to explain. He has a great ability to take out the best from students, and I was really fortunate to have him as a supervisor. I thank him for always being accessible and willing to help whenever I required assistance or advice.

My special gratitude to Dr. (Mrs.) Sandhya Tiwari for providing me to enhance my understanding of the subjects and research processes. She has really been intellectually stimulating and helped in reshaping many of the ideas and concepts in a qualitative way in my research work. She also supported me and kept me motivated.
to complete the task with dedication and persuasiveness. I owe her special thanks for being always available for support, guidance and her lots of love.

Specifically to this dissertation process, I would like to recognize my advisory committee once again Dr. D.K Kansal HOD Department of Physical Education & Sports Sciences, Dr Lalit Sharma, Associate Professor, Indira Gandhi Institute of Physical Education and Sports Sciences, University of Delhi, Delhi for their kindness, patience and guidance, throughout my doctoral program. Without their unwavering support this accomplishment would not have been possible. I appreciate them for their expert advice at the time I developed the research proposal and made sense of the way of knowing Appreciation is also extended to Dr. Pradeep Kumar, Associate Professor and Ms. Meenakshi, Assistant Professor, Indira Gandhi Institute of Physical Education and Sports Sciences, University of Delhi, Delhi for their thoughtful comments and suggestions that elevated the quality of this endeavor.

I would also like to thank my husband Dr. Vivek Solanki, Assistant Professor in Maharaja Surajmal Institute, for his endless support, encouragement and faith during my studies. Thank you, Vivek for being by my side through the joy, despair and hope, thank you for your quite encouragement.

The twinkling stars of this acknowledgement are my twin sons Akshat and Aarav who deserve my cuddles full of love, thanks and worship, as I compromised on their sacrificed time and affection which they deserved and missed during the time of my preoccupation with research work. I thank them for understanding the many times said “mom has to work.” You helped me to laugh every time I felt exhausted from work.

I would like to acknowledge my parents (Sh. Bal Singh Khatri & Smt. Raj Khatri.), my parents-in-law (Sh. Ved Prakash Solanki & Smt. Santosh Solanki,) for their unconditional love, support and guidance throughout my research program. A special mention to my mother (for always having faith in my abilities), my father (for pushing me to my potential), my mother-in-law (for inspiring me to be lifelong learner), my
father in law(for all his blessings)and thanks to my wonderful siblings. Your contributions have ultimately made this degree a reality for me.

*Thank-you does not begin to cover how grateful I am to have such a wonderful family who cares so much about me.*

I would also like to thank the Phd research scholars (Kaushambhi Tyagi, Titiksha Rohilla, Malika Sharma, Sachin Kumar, Ashwani Chhikar, Vikas Singh) for their assistance provided during the course of my research work required.

I thank the Library staff of Indira Gandhi Institute of Physical Education and Sports Sciences, & Department Of Physical Education and Sports Sciences and the administrative staff of Indira Gandhi Institute of Physical Education and Sports Sciences for their support throughout the investigation.

I’m very grateful to the Director and all the students of Maharaja Surajmal Institute who were the subjects of this dissertation. I greatly appreciate their willingness to participate in this research. This study could not have been accomplished without their amazing support and dedication.

*There is so much that I wish I could give voice to and yet, I have not the words to say it. This speechless gratitude is really quite alien to me, so I will stop struggling for a more poetic way to say this and simply say, “thank you one and all.”*

*Jyoti Solanki*
