ACKNOWLEDGEMENTS

It is a moment of great pleasure and fortunate opportunity for me to express my great indebtedness to Venerable Dr. R.P.S. Dhaka, Ex-Principal, who illuminated the track to travel. I try to follow the same with the benignant supervision of reverent teacher Dr. Sudhir Kumar, Reader, Department of Botany, Kisan (P.G.) College, Simbhaoli (Ghaziabad) who motivated and guided me through keenness, substantial interest at personal inconvenience. His crystallized wisdom and vision became lampad which provided me right direction to steer ship amidst storm. My pen feels happiness to gratulate Dr. M.A. Ali Khan, Reader and Head, Department of Botany for his keen interest, inspiring and constant encouragement throughout course of present work without which it was not possible for me to gratinate nationally economic important research for sustainable agriculture in Indian scenario.

My obligators are Prof. C.M. Govil, Ex-Head, Prof. V. Singh, Prof. Govind Prakash, Prof. A.K. Srivastava and Prof. Y. Vimla, Department of Botany, Institute of Advanced Studies, C.C.S. University, Meerut who taught me during M.Phil. gratify my life and enhance tolerance limit during indefeasible period of research.

I am highly grateful to Dr. R.S. Chauhan, worthy and honest Principal, Dr. Mam Chand Vashishta (Ex-Principal), Dr. V.K. Chauhan, Dr. J.S. Sachdeva, Dr. R.K. Gupta, Dr. J.P.N. Srivastava, Dr. Nafees Ahmed Chaudhary, Reader and Head, Geography, Dr. Tejveer Singh, Reader and Head Agricultural Botany, Dr. Rajveer Singh, Reader and Head, Agronomy, Dr. Gulfam Ali, Dr. Hasrat Ali, Dr. Naunihal of K (P.G.) College, Simbhaoli, Ghaziabad and Mr. Devpal Singh Sirohi, research scholar, who assisted me to that extent without which it was not possible to formulate and commingle this investigation into Ph.D. Thesis.

I shall be falling in performing my duty if I miss to thank Dr. R.K. Sharma, Reader and Head, Department of Botany and Dr. A.K. Gupta Reader, Department of Zoology, S.S.V. (P.G.) College, Hapur for their fraternity and parental care during tutorship in the college.
My sincere thanks to my obligee of Librarian, I.A.R.I., New Delhi, N.B.R.I., Lucknow, C.C.S. University, Meerut, Maulana Azad. Library, A.M.U., Aligarh, Simbhaoli Sugar Chemical Lab. and Mr. Sanjeev Panwar of college library for their cooperation and valuable help, providing the journal, research paper and literature.

I am deeply indebted to my parents Dr. M. Abbas Ali Khan and Mrs. Saliha M. Khatoon whose blessings always encouraged me to engaged in research and my better half Mrs. Rasikha Zohra, who not only cooperated me but also during this presentation. I cannot recompense the trouble of my daughter Nilofer Amin ‘Khushi’, who inspite of being deprived my love, assisted me to fresh the mood by relieving tension of mind, energise and concentrated to the purpose. My gratitude will be incomplete if I do not place on record the eternal source of strength provided my sister Mrs. Kazma Tauheed, her husband Arif Amir, Fazila Abbas and brothers Dr. Iqtidar Shariq, Kamil Abbas.

Indeed, I gratefully acknowledge the thankfulness of senior/junior research scholars in Lab., etiquette behaviour and amicableness of Mr. Parmod Kumar Saxena and Mr. Raj Bahadur Singh as well as Mr. Ramesh Kumar whose affection, encouragement have been corporated me during this engagement.

I am also grateful to amicability of Dr. S.R. Kushwaha, Plant Physiology Division, I.A.R.I., New Delhi for statistical analysis.

A word of thanks is also due to oblier Mr. Heero Hito of Aki Computers, Hapur for painstaking computational work.

Finally above all I would like to thank the Almighty ‘Allah’ for giving me strength, tolerance, patience and courage for successful accomplishment of voluminous task well in time.

With regards

Thanks

M. Itikhar Ali
