List of Symbols

Chapter I

Introduction

Objective 61
Present Investigation 65
References 66

Chapter II

Synthesis and characterisation of Calixarenes

Abstract 81
Introduction 82
Experimental 84
Results and Discussion 87
References 91

Chapter III

Solvent Extraction, Separation and Determination of Transition Metals

Abstract 92
Introduction 93
Experimental 94
Results and Discussion 98
References 127

Chapter IV

Selective Flocculation of Mamuara Kaolin Reserves

Abstract 129
Introduction 130
Experimental 138
Results and Discussion 141
References 172
