ACKNOWLEDGEMENT

I would like to express great appreciation to my supervisor Dr. T. Aruldoss Albert Victoire, Associate Professor, Department of Electrical and Electronics Engineering, Anna University, Regional Centre, Coimbatore for his valuable comments, positive influence, constant encouragement and timely help during this research work. I have learned immeasurably from him, not only academically, but also about various aspects of life. It is an honour to be one of his students.

I would like to thank my Doctoral Committee members Dr. S. Ramakrishnan and Dr. S. Valarmathi, for their continuous support during the course of my research.

Special thanks are extended to my Chairman, Principal, Colleagues and Dear Students of the Department of Electrical & Electronics Engineering, AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING, Chennai for their support during this work. I would like to convey my gratitude to my wife, My Daughter and My parents for their patience and unconditional support.

Last but not the least, all the reverence to THE ALMIGHTY, our Creator who showers thy blessings upon us which provided me the faith and strength to carry out this research work.
