Acknowledgements

I take this opportunity to express my deep sense of gratitude to my research guide Prof. V.R. Gunale, Head, Department of Botany for his invaluable support and instinctive guidance and providing the necessary institutional facilities.

I would always be thankful to God, for giving me an opportunity to work under the able guidance of my former guide Late Prof. J.G. Vaidya. Learning Fungal Taxonomy under his supervision became a lifetime cherishable experience. I would always retain pleasing memories of his teaching, fatherly support and continuous encouragement in my heart through my life. May his soul rest in peace.

I am glad to express a deep sense of gratitude to my colleague and friend Dr. Shekhar Bhosle, for his keen interest, guidance and encouragement.

I am thankful to the Department of Science and Technology, New Delhi, India, for the financial assistance.

I am sincerely thankful to Dr. P.K. Jite for extending support and cheer in critical phase during my tenure.

I would like to remain in debt with my friends Mr. Kiran Ranadive, Mrs. Sandhya Bongale and Dr. Gargi Pandit for their constant help throughout the work.

Thanks are also due to all my friends and colleagues who have directly or indirectly helped me in completing this important dissertation.

I take this opportunity to express my feelings to my loving mother Mrs. Anjali Joshi and my father Late Mr. Chintaman Joshi who always believed in my strengths. I love you both for being such lovely parents, making me an able humanbeing and for narrating me towards my very own self.

I would also take this opportunity to thank my husband Mr. Sameer Bapat and my whole family for all their help during this entire process.

Lastly I thank all the staff members of Department of Botany, University of Pune, for being a part of the entire process sometime, somewhere and somehow.

(Mrs. Gauri Bapat)
