PUBLICATIONS

Journal Papers

(1) “Predicting the protein localization sites using artificial neural network”, *Journal of Chemoinformatics*, Vol. 5(Sup. 1), pp. 46, 2013

Conference Papers

(3) "An introduction to chemical information and AMMP", Proc. of the National level seminar on Innovative trends in Information Technology, Vivekananda college of Arts and Sciences for Women, pp.14, September 2007

(5) “Neural Networks for Chemoinformatics- A Survey”, Proc. of the ICACCT, pp.53-57, January 2013

Conference Presentations
