ACKNOWLEDGEMENTS

I take this opportunity to acknowledge with thanks and deep sense of gratitude for constant encouragement and guidance provided by my supervisor Prof. G. Sasibhushana Rao, Professor, Department of Electronics and Communication Engineering, Andhra University, Visakhapatnam during the research work. It was a pleasant and challenging experience to work under his guidance. His constant monitoring and valuable advice ensured the completion the research work. I thank him for setting high standards and motivating me to do my best.

I am deeply indebted to my Co-supervisor Prof. M. Madhavi Latha, H.O.D., Department of Electronics and Communication Engineering, Jawaharlal Nehru Technological University Hyderabad, Kukatpally, Hyderabad for her guidance throughout my research work. She has been a great source of inspiration, encouragement and enlightenment to me, in my work.

I express my gratitude and high regards to the Chairman, BOS, Prof. L. Pratap Reddy and Faculty members of Department of Electronics and Communication Engineering, Jawaharlal Nehru Technological University Hyderabad for their suggestions.

I would like to thank Dr. B. V. Rama Mohana Rao, Principal, Narasaraopeta Engineering College for his valuable suggestions and
